Request Description

I confirm that this request is being submitted through my Facilon Investor Account. I understand that Facilon may need to verify my identity, clarify the request, or coordinate with the relevant Service Provider before taking action. I also understand that certain requests may be subject to legal, regulatory, contractual, security, audit, or retention requirements.

Declaration

The requester confirmed this request was submitted through their Facilon Investor Account, and acknowledged that Facilon may verify identity, clarify the request, or coordinate with relevant parties, and that certain requests may be subject to legal, regulatory, contractual, security, audit, or retention requirements.
